

Implementing Web Application

Create UI Interact with Application

Date	05 November 2022
Team ID	PNT2022TMID17287
Project Name	CONTAINMENT ZONE ALERTING

UI Interact with Application:

Admin App:

Login Page:

A screenshot of a login page with a solid blue background. In the center, there is a white text prompt: "Log In to add the location of the containment zone". Below this prompt are two white input fields. The first field is labeled "Email address:" and the second is labeled "Password". Below these fields is a blue button with the text "Login" in white. At the bottom of the login area, there is a small link that says "Don't have an account ... Create One".
